

The Marvels of Masa Paper

Two-Day Watercolour Workshop

With Juanita Olson

Location – The Comox Valley Lion's Den,
1729 Comox Avenue, Comox, BC

Entry and parking is below the Pearl Ellis Gallery with access off Nordin Street.

Workshop Outline

Day One:

- Mount masa paper onto your canvas.
- Leave your prepared canvas to dry overnight.
- Practice the technique of painting on masa paper on a small prepared canvas that I will provide.

Day Two:

- Commence sketching/transferring and painting on your own prepared, dried, and mounted masa paper.
 - I say "commence" because you will probably need more time to finish - unless you want to stay until your painting is complete. Be warned, I turn the lights out at midnight.
